

In the current era of deepening political divides, the PPIC Board of Directors, which includes PPIC’s president and CEO, wishes to reaffirm the institute’s commitment to its nonpartisan mission—the cornerstone of PPIC’s approach. The board unanimously and fully supports the following statement on nonpartisanship:

REAFFIRMING COMMITMENT TO PPIC’S MISSION

- ▶ PPIC’s mission to inform and improve public policy through nonpartisan, independent, objective research is guided by the institute’s core values.
- ▶ We let the facts speak for themselves—and make recommendations supported by data—striving to be accessible to a broad policy audience.
- ▶ We convene leaders with diverse backgrounds and perspectives, with a focus on inclusion and constructive dialogue on issues and solutions.
- ▶ PPIC does not take positions on legislation or ballot measures, and does not endorse, support, or oppose political parties or candidates.
- ▶ PPIC staff and board commit to a code of conduct for political activities to preserve our reputation as a nonpartisan think tank.
